Through the Medical Officer in Charge.
H.S.I.S. Gosha Hospital
Bangalore

Sir,

I beg to approach you with the following few lines for your favourable consideration and Orders

I have been working in the above Institution since the time of its opening and have been drawing a fixed pay of Rs 60/- per mensem and to state that it is inadequate, taking into consideration the arduous nature of the work I am expected to do and long hours of duty. My duties involve much greater responsibility than that of an ordinary charge nurse in other hospitals.

Besides being responsible for the Nursing in the hospital, I have the Linen, Stores, Kitchen Out Patient Department, Operating Theatre to look after and do alternate Night Duty, i.e to say I am on continuous duty from 7.A.M. to 7.A.M every other day.

Charge Nurses in other hospitals of the same qualifications are only responsible for the nursing in their wards & invariably do Night duty, draw more pay with an annal increment

rising to a maximum pay.

I therefore request you Sir to kindly consid my case favourably and help me by enhancin my pay, and with a reasonable yearly increm rising to a maximum.

I beg to remain
Sir
Your Obedient Servant
Mrs M. Welch.
Charge Nurse.

Forwarded. I strongly recommend that Charge Nurse Welch's pay be enhanced. Throughout the Madras Presidency there is a Scale of pay Rs 75-2½-125. The Charge Nurses of this Hospital stand in the position of Nursing Sisters with more responsible work than the ordinary Charge Nurse. For these reasons, I recommend that she be put on the Madras Cadre of Rs 75 — 2½ - 125.
